

Thank You for Auditioning! 🌟

We want to extend a huge thank you to everyone who auditioned to be a part of our Fusion teams. We saw so much talent, heart, and dedication, and we're incredibly proud of each of you.

While not everyone was placed on an additional team this time, please know this: you are amazing, and your effort does not go unnoticed. Dancers that didn't make a Fusion team are still welcome and encouraged to take ballroom fusion, hip hop, and participate in the Epic In House Convention October 11th! ✨

Keep working hard, keep growing, and most importantly—keep doing what you love!
