August 2026

WELCOME BACK TO LEGACY!

2026–2027 Dance Season

We are so excited to welcome our dancers and families back to Legacy Dance Center for another amazing year!

CLASSES BEGIN MONDAY, AUGUST 17!

Whether this is your first season with Legacy or you've been with us for years, we are so grateful to have you as part of our studio family. Please take a few minutes to read through the important information below so everyone is ready for a smooth start to the new dance year.

Please double-check your dancer's class schedule before the first week of classes. We also encourage all families to regularly check the [calendar on our website](#) for studio closures, important dates, performances, events, and other upcoming information throughout the season.

DOWNLOAD THE SPORTSENGINE MOTION APP

We strongly encourage every parent to download the SportsEngine Motion app on their phone. This will be an important resource for your dancer's account, schedule, billing, and studio communication throughout the year.

IMPORTANT FOR ACH PAYMENTS: If you previously filled out an ACH form or had ACH information on file with us, you will need to enter your ACH information again in our new system. Previous ACH information did not transfer over. Please take care of this as soon as possible to avoid any issues with upcoming tuition payments.

AUGUST TUITION & MONTHLY BILLING

Because classes begin partway through August, families will only be charged half tuition for August. August tuition will be charged on August 21. Beginning in September, regular monthly tuition will be charged on the 1st of each month. A \$10 late fee will be applied on the 15th of each month to accounts with an unpaid tuition balance. Please make sure your payment information is current in SportsEngine Motion before August 21. View fee schedule below. [Additional Tuition/fee schedule information can be found on our website.](#)

DRESS CODE

Dancers are expected to come to class dressed and ready to dance. Dance clothing must be worn to all dance classes. All tops must touch the dancer's bottoms when standing at attention. Bra tops and crop tops are not permitted for regular dance classes. Hair should be pulled back and away from the dancer's face so it does not interfere with movement or instruction.

Please make sure your dancer has the appropriate dance shoes for their class and that all shoes, clothing, and personal items are labeled whenever possible. Every dancer should bring a water bottle to class. Following our dress code helps dancers come into the studio prepared, focused, and ready to work! View required dance shoes below.

DROP-OFF, PICK-UP & PARKING

Our parking lot operates in a horseshoe-style traffic pattern. Parents may pull up to the studio entrance, allow their dancer to exit the vehicle, and then continue around the horseshoe to exit the parking lot. Please do not get out of your vehicle while in the drop-off line. This keeps traffic moving and prevents backups. If your dancer needs assistance getting inside or you need additional time, please use only the parking spaces directly adjacent to the LDC entrance or along the street leading to the studio and walk your dancer in. Please be patient and courteous to other drivers and respectful of our neighboring businesses. With so many dancers arriving and leaving around the same time, everyone's cooperation makes a huge difference in keeping our dancers safe!

STUDIO ETIQUETTE

A few reminders to help us keep Legacy clean, organized, and enjoyable for everyone:

No food is permitted inside the dance studios.

Please clean up after yourself and help us keep our facility looking great.

Dancers should bring a water bottle to class.

Dancers belongings should go into a cubby, not on top of chairs/benches

Parents are welcome to view classes from the lobby windows or TVs rather than entering the dance rooms.

STAY UP TO DATE

There is a lot happening throughout the dance season, and we want to make sure you never miss anything!

Please make a habit of:

Checking the Legacy Dance Center website calendar

Using the SportsEngine **Motion** app

Reading studio emails and announcements

Important dates, studio closures, performances, events, and other information will be communicated through these resources throughout the year.

WE CAN'T WAIT TO GET STARTED!

We are incredibly excited about what this season has in store for our dancers. Thank you for trusting Legacy Dance Center with your dancers and for helping us create a positive, hardworking, and supportive environment.

We'll see you beginning August 17!

Step in. Stand out. Leave your legacy.
